

Hanson Brick

Scholarship Application for Construction Technology Majors

The Hanson Brick Scholarship is available to full time (12 semester hours) students majoring in Construction Technology with a minimum GPA of 2.5 (3.0 Grade Point Average is preferred).

Scholarship amount: One \$500 scholarship will be awarded for Fall 2008 and Spring Semester 2009.

Application Procedure: The applicants will be evaluated based on financial need, as well as their professional goals and academic accomplishments. Eligible candidates' applications will be considered and the scholarship awarded by the Technology Scholarship Committee. The recipient will be notified by the Chair of the Committee.

Prepare a word processed one-page statement summarizing your professional goals and academic accomplishments. Then describe your interests and goals in your area of study. Complete and return the application form, one-page summary, and an up-to-date copy of your transcript to:

Dr. John R. Craft
Scholarship Committee Chair
