

NC Foam

Scholarship Application for Furniture Manufacturing Technology or Industrial Design Majors

The NC Foam Scholarship is available to rising sophomore, junior, or senior full time (12 semester hours) students majoring in Furniture Manufacturing Technology or Interior Design with a minimum GPA of 2.7 overall and 3.0 within their major. Furthermore, applicants from Surry County, North Carolina will be given first consideration.

Scholarship amount: One scholarship will be awarded during the Fall 2009 and Spring 2010 academic year.

Application Procedure: The applicants will be evaluated based on financial need, as well as their professional goals and academic accomplishments. Eligible candidates' applications will be considered and the scholarship awarded by the Technology Scholarship Committee. The recipient will be notified by the Chair of the Committee. Prepare a word processed one-page statement summarizing your professional goals and academic accomplishments. Applicants must present a verifiable need for financial support. A completed financial aid form must be on file with the office of financial aid. Complete and return the application form, one-page summary, and an up-to-date copy of your transcript to:

Dr. John R. Craft
Scholarship Committee Chair
