

PICA Foundation

Scholarship Application

for Graphic Arts & Imaging Technology Majors

The PICA Foundation Scholarships are available to full time (12 semester hours) students majoring in Graphic Arts & Imaging Technology with a minimum GPA of 2.7 overall and 3.0 within their major.

Scholarship amount: Two scholarships will be awarded for Fall 2008 and Spring Semester 2009.

Application Procedure: The applicants will be evaluated based on financial need, as well as their professional goals and academic accomplishments. Eligible candidates' applications will be considered and the scholarship awarded by the Technology Scholarship Committee. The recipient will be notified by the Chair of the Committee.

Prepare a word processed one-page statement summarizing your professional goals and academic accomplishments. Then describe your interests and goals in the GAIT program and your financial need for this award. Complete and return the application form, one-page summary, and an up-to-date copy of your transcript date to:

Dr. John R. Craft
